PUBLIC DISCLOSURE OF DOCUMENTS

The Ministry of Infrastructure through the Rwanda Transport Development Agency (RTDA) and within the framework of the Government of Rwanda policies embedded in the National Strategy for Transformation 1 (NST 1), proposes to rehabilitate and upgrade 15.53km urban roads in Gicumbi District which consists of five sections of roads in Gicumbi: Byumba-Ngondore (11.7Km), Access road to Catholic Cathedral (2km), Access road to Byumba Stadium (0.77Km), Access road to Miyove (0.72Km) and Byumba Center to Market road (0.34Km) all in Gicumbi District, Byumba and Miyove Sectors.

It is in that regard that RTDA hired a consultant to undertake the study of various components of the project. The proposed project envisages to determine the technical feasibility, environmental and social impacts assessment (ESIA/ESMP) and resettlement action plan (RAP) to be implemented in rehabilitation phase.

In line with the Government of Rwanda and the AfDB requirements, RTDA has prepared an Environmental and Social Impacts Assessment (ESIA/ESMP) and Resettlement Action Plan (RAP) for these roads. The Environmental and Social Impact Assessment and Resettlement Action Plans were cleared by the AfDB and will be disclosed at the AfDB website.

A copy of the reports are available at the Head Office of the Rwanda Transport Development Agency and on the website: <http://www.rtda.gov.rw>.

Any person having interest or concern relating to the above document, shall contact or submit such concerns on the following address:
